

Minnesota Trucking Association

Scholarship Program

CALL FOR DONATIONS

The Minnesota Trucking Association (MTA) scholarship program is moving into its eleventh year, and we are seeking donations for 2010-2011 awards. In 2010, Minnesota's trucking industry provided \$30,000 to six college-bound students from across the state. Help us increase our impact! Mail or fax your donation commitment to the MTA office. For your convenience, we will automatically bill your company if your check does not accompany your donation form. Your company will be listed as a contributor when the scholarships are awarded.

COMPANY SPONSORED SCHOLARSHIP OPPORTUNITIES "PIGGYBACK"

Would you like to offer a company scholarship, but don't have the time to administer your own program? We can help! "Piggybacking" is a process whereby MTA member companies establish their own scholarship, but "batch process" the applications along with other MTA scholarships. This reduces administration costs while allowing applicants to compete for multiple scholarships and ensures that one or more of your employees receive a scholarship (for example: if you "piggyback" two scholarships, you are guaranteeing that at least two of your applicants win a scholarship). There is a \$100 processing fee per scholarship.

SCHOLARSHIP APPLICATION INFORMATION

Scholarship applications for the 2011-2012 academic year will be released January 1, 2011.

All employees and dependents of employees of MTA member companies are eligible to participate. The awards will be announced at the MTA Annual Conference in August 2011.

MTA SCHOLARSHIP 2011-2012 SCHOOL YEAR PLEDGE FORM

- We would like to support the MTA Scholarship Program with a direct donation of \$ _____
Note: If the amount indicated is not enclosed, we will automatically bill your company.
- We would like to create # _____ company sponsored "piggyback" scholarships in the amount(s) of \$ _____ (\$500 minimum) each.

Note: There is a \$100 processing fee per scholarship.
